DOOR-TO-DOOR
WASTE COLLECTION SERVICE

1

Separate waste correctly at home.

2

Check the waste collection calendar to know which fraction can be disposed of each day of the week.

3

Place the waste with the multi-fraction bin in front of your door to avoid inconvenience to pedestrians.

4

The collection company will collect the waste and leave the bin empty.

5

Bring the bin back inside the house. It is recommended to clean it periodically to avoid bad odors.

6

In case of emergency, you can take the waste to the municipal recycling center.

WHAT DO YOU NEED TO USE THE **DOOR-TO-DOOR COLLECTION SERVICE?**

1. An **aerated bin** to keep in the kitchen for organic waste (food scraps and small garden waste). When you need to take out organic waste for collection, place the closed bag inside the multi-fraction bin.

2. A **multi-fraction bin** to take all waste to the public road according to the collection calendar.

3. A **white bag** with an identification sticker for sanitary waste or a specific bin.

4. A **magnet with the waste collection calendar** indicating which waste can be taken out each day and the time to place the bin in front of your door.
